Welcome

WE'RE SO GLAD YOU'RE HERE! Thanks for joining us today! We don't want to miss the opportunity of connecting with you. So, whether you are visiting for the first time or are a regular attendee please take a moment to fill out the *Blue Connection Card* in the seat pocket in front of you. You may return it to the seat pocket or place it in the box on the back table.

If you would like to give toward the ministries of Crossroads Church, please place your gift in one of the Tithes and Offerings Boxes located at each Worship Center exit.

Looking for more information? If you'd like to learn more about something you heard during Crossroads announcements regarding upcoming events or the ministries at Crossroads, please visit our Welcome Center Kiosk located in the Connection Area or visit our website at www.crossroadsefc.com.

We wanted you to know that...

- Assisted hearing devices are available during our services at the Welcome Kiosk.
- Binders with printed lyrics are available on the back tables in the Worship Center.
- Once a worship service has begun, we ask that all entering and exiting the Worship Center use the east or west doors (not the center, please).

faith community nursing...

February is American Heart Health Awareness Month. The National Institutes of Health tells us that 80% of women ages 40-60, have at least one risk factor for developing heart disease. Some risk factors, such as age or family history of early heart disease can't be changed. But some factors we CAN control.

Unhealthy diet...Being overweight or obese...High blood pressure...Diabetes if you have it...Elevated cholesterol...Smoking...Being physically inactive

EACH risk factor greatly increases a woman's chance of developing heart disease, making it very important that each woman take the risk seriously! Find more information at: <http://www.nhlbi.nih.gov/health/educational/hearttruth>
Luke 6:45 "A good man (woman) brings good things out of the good stored up in his (her) heart....."
