# Welcome

**WE'RE SO GLAD YOU'RE HERE!** Thanks for joining us today! We don't want to miss the opportunity of connecting with you. So, whether you are visiting for the first time or are a regular attendee please take a moment to fill out the *Connection Card* in the seat pocket in front of you. Please return it to the seat pocket or leave it on your seat.

If you would like to give toward the ministries of Crossroads Church, please place your gift in one of the Tithes and Offerings Boxes located at each Worship Center exit. Online giving is also available on our website at [www.crossroadsefc.com](http://www.crossroadsefc.com)

**Looking for more information?** If you'd like to learn more about something you heard during Crossroads announcements regarding upcoming events or the ministries at Crossroads, please visit our Welcome Center Kiosk located in the Connection Area or visit our website at [www.crossroadsefc.com](http://www.crossroadsefc.com).

#### We wanted you to know that...

- Assisted hearing devices are available during our services at the Welcome Kiosk.
- Once a worship service has begun, we ask that all entering and exiting the Worship Center use the east or west doors (not the center, please).
- Misplaced something? If so, please check the Welcome Kiosk for lost & found items.

In order to make our services available online as well as in other locations, and for marketing purposes, photography and video recordings may take place while you're here at Crossroads. Your presence signifies your consent for Crossroads Church to use your image. Thank you for your cooperation.

## marriage moment

Want a guaranteed way to improve the quality of your marriage by the end of the week? Every 24-48 hours, simply ask your spouse the "magic question": **What can I do to help you today?** The assumption in a question like that is, *I am here to serve you and want to do so.* Are you in your marriage to *serve* your spouse? According to a statement Jesus made in Mark's gospel (9:35), we *should be* in that we are called to be the "servant of all".

Wives often get this a little better than husbands do because they see serving their family as multi-faceted whereas men tend to limit it to simply providing (which is of course huge, but not all there is to it). Ladies, on the other hand, "serving" your husband might in fact include showing respect to him in ways you tend to avoid. Husbands and wives both have a lot of room to grow here. Meanwhile, just ask the magic question every 24-48 hours and see what happens. You may be very pleasantly surprised!

# the art of marriage™

This resource will help couples in our church and community build the God-honoring marriages that you desire. It also brings a fresh approach to a video event by weaving together a variety of elements that help the principles come to life: engaging stories; real-life testimonies; man-on-the-street interviews; humorous vignettes.

---

The Art of Marriage brings together some of the most respected and influential pastors and experts on marriage and family all in one setting:

Al Mohler                      Dave Wilson                      Voddie Baucham  
Ann Wilson                      Michael Easley  
Crawford Loritts                      Dennis Rainey                      Bryan Loritts  
Barbara Rainey                      Paul David Tripp  
Mary Kassian                      Dave Harvey                      Wayne Grudem  
and more ...

---

Our time together will be casual and engaging. Personal stories from mentor couples will follow each video session and the mentor couples will be available throughout the weekend for questions and personal interaction. All this adds up to be a fantastic opportunity to strengthen your marriage!
