global outreach

It is always a privilege here at Crossroads to have our missionaries come and share how God is working throughout various parts of the World. Today, we are particularly pleased to welcome Sheryl and Dan Ingle (Studio Ten/Guardian Village) who bring a message of God's passion for the country of Nepal. Working in a culture full of demonic tyranny with a government that is determined to keep it that way, the Ingle's consider it a privilege to serve and minister to a wide variety of people in this country…people who would never know anything about the promises of God otherwise. Through youth camps, children's programs and other ministry training, the Ingles bring a very effective movement in the message of the Gospel which they see bearing fruit and growing each day. Their ministry is proving to be vital as each week and month they see that God has set children and adults free to choose Him and fulfill the value ascribed to them at creation. Please pray for the Ingles today — that they would continue to have godly wisdom for their ministry, that when finding themselves in hard circumstances would find encouragement and hope In God's faithfulness, that they would continue to see meaningful transformation taking place in ordinary lives. Please give the Ingle's a warm Crossroads welcome.

The Ingle's have brought with them a display of Guardian Village Handicrafts that you will surely want to see. They will be in the Connection Area after each service.

WHAT IS LOVE WEEK?
JULY 6 - 14

WHAT DOES "CONTACT = IMPACT" MEAN? It simply means that we can't expect to have the chance to influence people's lives for Jesus if we're not spending time with them and developing relationships with them! It's only when we invest in people's lives that we can have the opportunity to speak truth into their lives when it really matters!

WHAT ARE WE TRYING TO ACCOMPLISH? We're trying to accomplish several things. *First*, we want to be the hands and feet of Jesus to those that we serve. *Second*, we're exposing our church family to the needs of our community and helping fulfill those needs. We do this through strategic partnerships with various organizations in our community. Our goal is to come along side them to simply ask the question, "What can we do to help you?". *Third*, our desire is that our service during Love Week becomes a lifestyle for our church family...not just a once a year kind of thing but a life of service to others!

[Love Week is when our entire church intentionally looks for opportunities to serve others in our community. We blitz our neighborhoods and communities with acts of service for the entire week.]

HOW CAN I SERVE? There are two ways for you to serve during Love Week. *First,* sign up for a project that's been set up with one of our community organizations. *Second,* discover how you can bless someone at work, in your neighborhood or in your community where you live! This simply begins by looking around you and seeing if there is a need that you could help with! Perhaps it's asking your boss if there's something else that you could do around the office to help out. Maybe your neighbor could use some help. We'll provide you with an ***Impact List*** to give you some creative ideas of what you can do for others!

WHAT ARE YOU ASKING OF ME? Our desire is that *every family* at Crossroads will sign up to help serve on at least one community project and would identify a need around them (work, neighborhood, community) and find a way to fulfill that need. You're welcome to sign up for more than one project! *Most projects are family friendly and so we encourage you to get everyone in your family involved!

I'D LIKE TO SERVE THROUGH AN ORGANIZED PROJECT...HOW DO I DO THAT? Registration for projects will begin on Sunday, June 16th, and end on Sunday, June 30th. Registration will be located in the Connection Area.

WHAT KIND OF PROJECTS CAN I SIGN UP FOR? We have all kinds of ways that you can get involved during Love Week! We're working on organizing the projects now. We anticipate having over 35 projects for you to select from!

I'D LIKE TO DO SOMETHING ON MY OWN BUT I NEED SOME IDEAS TO GET STARTED. We'll publish the ***Impact List*** which is full of great ideas of things you can do on your own! Make an impact at work, in your neighborhood and in your community!

What could you and your family do on your own to make an impact in the lives of those you interact with every day?

Discover how you can bless someone at work, in your neighborhood or in your community where you live! This simply begins by looking around you and seeing if there is a need that you could help with!

Need help coming up with some ideas of what you and your family could do on your own during Love Week? Check out our soon to be published Impact List for some great ideas of how you could Impact your Neighborhood, have an Impact at Work or Impact your Community!

Talking Points

June 2019

1. I heard we are searching for staff positions. Which positions?

We have begun to organize search teams for a Director of Children's Ministry (DCM) and an Executive Pastor who will oversee Adult Ministries (EPAM).

2. *Why these positions and what will they do?*

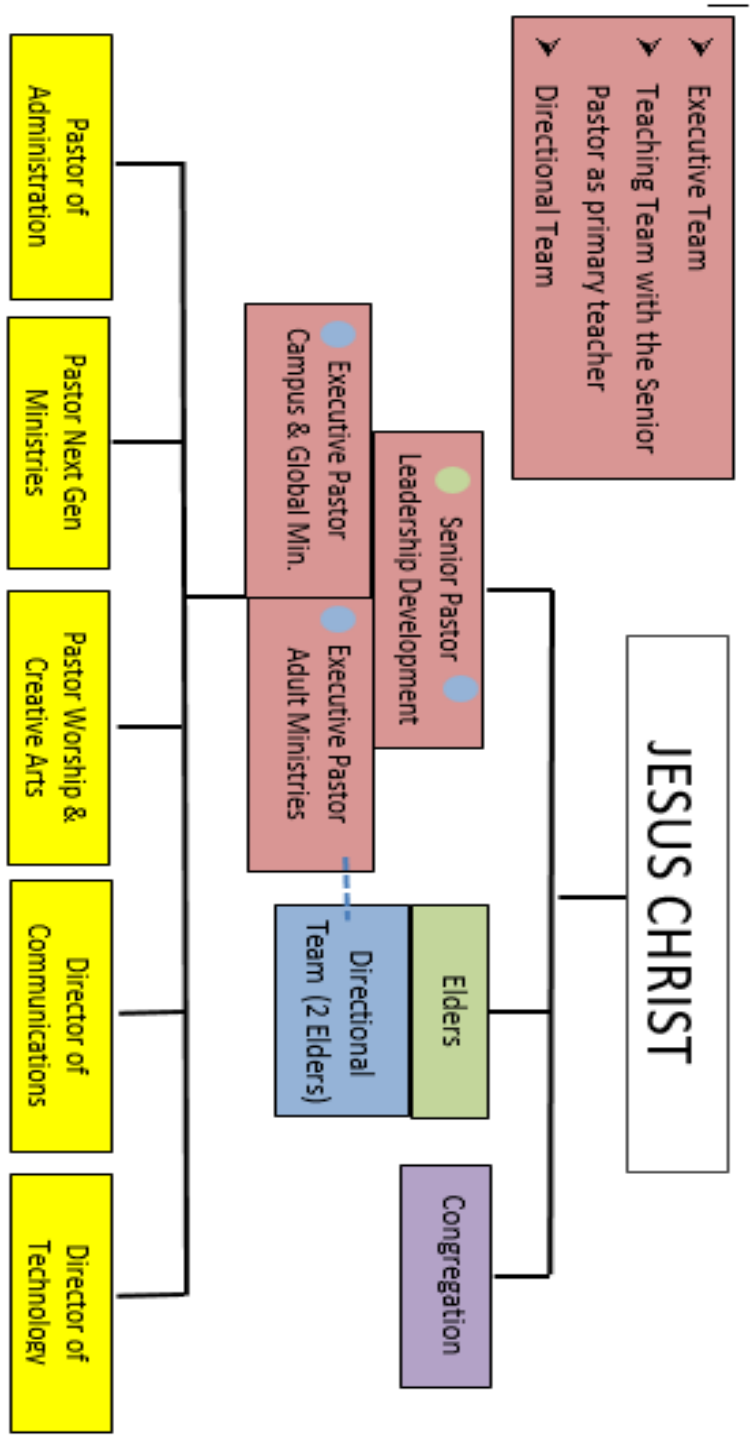
First and foremost, through a prayerful and discerning process, the Elders are at peace that these positions are vital to the ministry God has called us to pursue at Crossroads. Each play an important role in leading us further into obedience of Matthew 28:19-20.

Each position is designed to provide organizational leadership as we seek to organize and equip our Crossroads family to do the work of the ministry (Eph. 4:11-12), as well as function with integrity and responsible leadership. Our desire is not only to maintain effective ministry but further ministry endeavors and develop new ministry initiatives. The current staff capacity is not sufficient to fulfill these desires and keep up with increasing expectations and legal demands of non-profit organizations.

After a lengthy reset process in 2018, the Elders determined the DCM position is a vital part of providing a quality, helpful and secure ministry for our families. The DCM gives direction and leadership for both Plymouth and Culver ministry locations. The function of this role is to equip, train and inspire all staff and volunteers actively engaged in partnering with parents to disciple our youngest generation of disciples.

The EPAM position is new for us as a result of consultation with our District Superintendent. Along with general pastor/shepherding responsibilities, this position will give direct leadership and/or coaching to all adult ministries like Community Groups, Target Groups, Men's Ministry, Women's Ministry and our Biblical Counseling Center. The EPAM will also be part of our Crossroads Executive Team consisting of three positions: Senior Pastor, EP overseeing Adult Ministries and (future) EP overseeing campus and global ministries. The collaborative function of this team will include: 1) overall daily leadership of ministry endeavors; 2) Leadership Community development/management; 3) developing and maintaining policies, procedures, position statements, and the constitution and by-laws. Lastly, this person will serve as part of a Teaching Team. This entails assisting with the annual preaching emphasis, weekly sermon development and sermon delivery 6-8 times per year.

(The Organizational Chart is listed on the back and job descriptions for these positions are available upon request)



This organizational chart is not our complete chart for space purposes. Also, it is designed to be forward looking, therefore, not every position is filled at this time. This chart is to serve as a guide for organizational clarity and future staff development.
